

Privacy Policy for ttmcn

Last updated: July 30, 2024

1. Introduction

Welcome to TTMCN ("App"), developed and maintained by Aixnew Company ("we", "us", or "our"). We value your privacy and are committed to protecting your personal information. This Privacy Policy aims to explain how we collect, use, and safeguard the information you provide while using the App.

2. Information We Collect

- **Personal Identification Information:** When registering or using the App, you may be required to provide your name, email address, telephone number, position, and company name.
- **Usage Information:** We collect information about how you use the App, including login times, features accessed, and activity logs.
- **Device Information:** We may collect information about the device you use, such as operating system, browser type, and IP address.

3. Use of Information

We use the information collected to:

- Provide, maintain, and improve the functionality and services of the App.
- Communicate with you, including sending service updates, security alerts, and other application-related notifications.
- Conduct market analysis and research to improve our products and services.

4. Sharing of Information

We will not share your personal information with any third parties, unless:

- You have given consent.
- It is necessary to comply with legal obligations, such as complying with laws, regulations, or court orders.

5. Security of Information

We implement appropriate security measures to protect your information from unauthorized access, disclosure, modification, or destruction. This includes using SSL encryption technology to secure data transmission.

6. Your Rights

You have the right to access, correct, delete your personal information, and in certain circumstances, to restrict or object to our processing of your information. If you wish to exercise these rights, please contact us.

7. Retention of Information

We retain your personal information only as long as necessary to provide the services or as required by law. When the information is no longer necessary, we will securely delete or anonymize it.

8. Changes to Policy

We may update this Privacy Policy from time to time. If we make any significant changes, we will notify you through the App or through the contact information you have provided.

9. AI/ML Data Policy

In compliance with the Google Workspace API User Data Policy and Generative AI Policy, we clarify the following:

- We ensure that no Google Workspace API data is used to develop, improve, or train generic/non-personalized AI/ML models.
- We describe any transfer of Google user data to third-party AI tools, ensuring it is not used for generic/non-personalized AI/ML models.
